## Tavoli Tables

Tavoli, indiscussi protagonisti della zona living. Dallo stile rilassato e disinvolto per arredare ambienti dall'atmosfera vissuta, fino al minimal chic dalle forme decise e simmetriche per una zona giorno razionale e funzionale alle differenti esigenze abitative.

Tables, the undisputed stars of the living room. From a relaxed, nonchalant style to furnish settings with a vintage feel, to the minimal chic of bold, symmetrical shapes for rational and functional living area that accommodates various domestic requirements.

# Kreo

Superfici e linee pulite dialogano attraverso luci ed ombre. L'intreccio studiato per il basamento e l'estrema leggerezza dei piani uniscono design e comfort proponendo tavoli che raccontano il presente.

Surfaces and clean-cut silhouettes liaise through lights and shadows. The weaving devised for the base and the impeccable light weight of the table tops combine design with comfort, resulting in tables that embody the present.

DESIGN  
DAVIDE ANZALONE

Imponente e multimaterico. La base scultorea in metallo pone l'accento su un progetto d'autore caratterizzato da piani leggeri e funzionali. Il sottile meccanismo d'apertura è perfettamente integrato nel design creando proporzioni equilibrate tra l'accogliente e il rigoroso.

Imposing and multi-textured. The sculptural metal base puts the focus on an art-house design distinguished by light-weight, functional table tops. The slim opening mechanism is perfectly incorporated into the design, creating perfect proportions mixing welcome with rigour.

# Osaka

Invito alla convivialità.  
Geometrico ed eccentrico Osaka  
riscrive il concetto di accoglienza  
grazie a piani trasformabili  
che si allungano con un semplice gesto.

An invitation to socialise.  
Geometric and eccentric, Osaka  
rewrites the concept of welcoming  
thanks to transforming table tops that  
can be extended in a simple movement.
